

**Starting June 1st, 2026, we will be establishing designated collection days for leaves, weeds, and branches and twigs !**

**Due to the changes, a revised version of the 2026 first-half garbage calendar is enclosed with the community**

**(Before change / Until May 31, 2026)**

Leaves and weeds: Up to two bags per household can be disposed of at one time, along with other burnable garbage.

Branches and twigs: Collected as bulky waste or brought directly to the environmental sanitation plant.

**(After the change / from June 1, 2026)**

Leaves, weeds, and branches and twigs will be classified as "Green waste" from June.

**Once every four weeks, on Wednesdays Collection began.**

**3 points per household, once per visit.**

Up to the following can be disposed of (items in bags: 1 item per bag / items tied with string: 1 item per bundle)

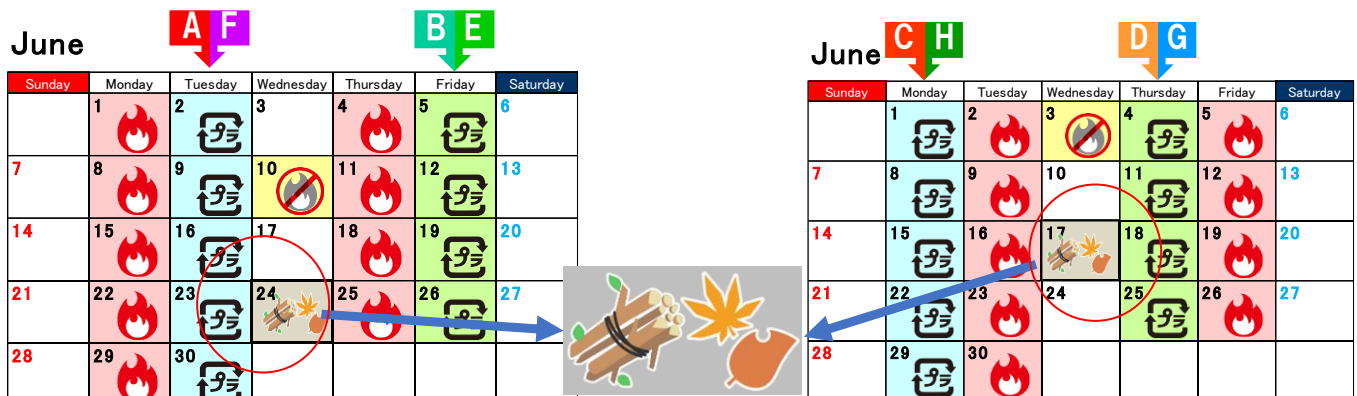

Leaves and weeds can no longer be disposed of as burnable garbage.

Branches and twigs can no longer be disposed of as bulky waste.

Direct delivery of leaves, weeds, and branches and twigs to the Environmental Cleaning Plant/Kankyo Seibi Kojo is still possible as before.

Non-burnable grabae: Collection of "non-burnable garbage" will change from once every two weeks to once

**Changes to the garbage collection calendar starting in June**

**Markings for Green waste**

**Target of collection: Green waste**

**Leaves and Weeds**

Starting from June, please dispose of these as "Green waste" in transparent or semi-transparent bags of 45 liters or less.

Note: These cannot be disposed of as "Burnable Garbage."

Note: Direct delivery to the Environmental Clean Plant/Kankyo Seibi Kojo is permitted.

**Branches and twigs**

Please cut them to a length of 30 cm or less and a thickness of 5 cm or less. Either bundle them with string (the diameter of one bundle must be 30 cm or less) or place them in a transparent or semi-transparent bag of 45 liters or less, and dispose of them as Green waste. Do not put leaves/weeds and branches/twigs in the same bag.

Note: These cannot be disposed of as "Bulky Garbage."

Note: Direct delivery to the Environmental Clean Plant/Kankyo Seibi Kojo is permitted.

There are no changes to the collection days or contact information for recycled materials such as glass bottles, empty cans, plastic bottles, and beverage cartons. However, there are changes to the application process for bulky waste and the procedures for bringing in waste.
